**CITY OF CAMDEN COMMUNITY CENTERS AND SPRAY POOLS
AVAILABLE FOR RELIEF FROM THE HEAT**

CAMDEN – Mayor Dana L. Redd would like to remind Camden residents that the City’s Community Centers are available to residents as a stop-in site to provide relief from the heat. The City spray pools are also open to Camden residents.

“With an excessive heat advisory in effect, it is important that residents stay hydrated by drinking plenty of water and stay in areas that are well ventilated and cool,” Mayor Redd said. “Camden residents can escape the heat wave by visiting one of our Community Centers or spray pools. I also ask that residents please remember to check in on elderly neighbors who may be living alone to make sure they are well.”

The Community Centers are available Monday through Friday’s from 8:30 a.m. to 4:30 p.m. The locations are as follows:

Charles “Poppy” Sharp Community
Center
713-715 Broadway
(856) 757-7127

Malandra Hall Community Center
New Jersey and Merrimac Roads
(856) 757-7366

Cramer Hill Community Center
1035 Reeves Avenue
(856) 757-7499

North Camden Community Center
6th Street and Erie Street
(856) 757-7291

Martin Luther King, Jr. Community
Center
1151 Haddon Avenue
(856) 757-7605

Isabel Miller Community Center
8th Street and Carl Miller Boulevard
(856) 757-7504

City spray pools will be open seven days a week from 12:00 p.m. to 8:00 p.m. Spray pools are located at the following locations:

- 4th & Washington St. Park
- 7th & Clinton St. Park

- Pyne Poynt Park (6th & Erie St.)
- Ralph Williams Park (28th & Mitchell St.)
- Alberta Woods Park (30th & Fremont St.)

Residents are urged to report any open/turned on fire hydrants to the Camden Police Department at 856-757-7482 or to United Water (Emergency Number) at 856-488-2041. The opening of fire hydrants causes numerous public safety concerns, lowers water pressure which can disrupt emergency services, and causes discoloration of water.
