### **NOTICE TO CAMDEN CITY RESIDENTS & BUSINESSES**

**CAMDEN** – Starting on or about Monday, August 22, 2011, emergency sewer reconstruction will commence in the Cooper Plaza neighborhood within the 700 Block of Clinton Street/700 Block of Berkley Street Alleyway. The emergency sewer reconstruction work should be completed in approximately four months. Due to safety concerns, the alleyway will be closed during the emergency construction period. Working hours will be from 7:00 a.m. until 5:00 p.m., Monday through Friday.

It is highly recommended that all non-permanent outdoor furniture, equipment, fixtures, and appliances be moved out of the alley right-of-way.

We apologize for the inconvenience and appreciate the residents' full cooperation so the emergency sewer construction project can be completed in a safe, professional, and efficient manner.
