    approve dates.
                    Thank you.
19
                MR. BURNS: Doctor Williams is back.
20
                CHAIRMAN DeJESUS: Doctor, do you have
21
    your report?
22
                DR. WILLIAMS: Somehow my microphone went
    out. I'm using the telephone.
23
24
                Just two quick things. One is, on the
25
    agenda the Camden Parks & Open Place Plan for 2020
```

will be heard at the Planning Board Meeting in
January. We're working with Cooper's Ferry a/k/a
Camden Community Partnership, to get out the notices
that's required by the Municipal Land Use Law. And
the documents will be mailed out well in advance of
the January meeting for your review. This was
delayed because of COVID. They followed-up on the
document and we made a commitment to them to add them
on the agenda for the January Planning Board meeting.

The second thing is in reference to the packets and materials going out to Board members, our staff makes it their business to send the information out well in advance. But keep in mind, we have a central mail room system where all the documents go to the mail room. And then from there, they go out.

So if someone is out in the mail office, they're sick or on vacation or other issues, that mail will have to sit there until the appropriate personnel comes in. So we apologize for any lateness in getting the information. But just keep in mind and be assured that the information that we send to you, is sent out well in advance. So that's the second thing.

The third piece would be, there was some

```
inquiries from Councilwoman Morton regarding the Land
1
2
    Use review from the Ordinance. At the last month's
    meeting, we requested from the Board members for us
3
    to look at certain portions of the Zoning Ordinance
4
5
    relative to parking fees and other types of issues in
    the Ordinance. The goal is to bring clarity to the
6
    language in the Code; to make sure that the language
7
8
    in the Code withstands legal muster.
                So the tax issue is another one.
                                                   And
10
    it's also some general language that will allow us to
11
    look at other issues in the Code to reflect changing
12
            So that's to respond to the Councilwoman's
13
    issue or inquiries regarding those points. Just know
14
    that we plan to have some drafts at the January
15
    meeting. If not, we'll still report out on what the
    status is in terms of our review. That concludes my
16
    report, Mr. Chair.
17
18
                                    I have a question for
                CHAIRMAN DeJESUS:
    you, though. Is all the Board members on board or
19
    up-to-date with their, how we say, status, making
20
21
    sure that there's no one expiring or to become
22
    expired?
23
                DR. WILLIAMS:
                               Angela, can you speak on
24
    that?
25
                MS. MILLER:
                             Yes.
                                   We're fine.
```

```
CHAIRMAN DeJESUS: Okay. Thank you.
1
2
    Mr. Burns, do you want to do the Resolutions?
                MR. BURNS: Yes.
                                  We have Resolutions.
3
    For approval tonight will be the Camden Community
4
5
    Partnership. That was the one concept -- I'm
    sorry -- the courtesy minor subdivision that we
6
    heard. We really didn't make many recommendations.
7
8
    It was a pretty thorough presentation.
                The next would be My East Camden
9
    Neighborhood. I did a Resolution to amend the Master
10
11
    Plan to include that plan with the Master Plan.
12
    Very well presented. Good group of people.
13
                And then we have the approval of the
14
    Resolution requesting what Dr. Williams was just
15
    talking about, the two ordinances from the City of
    Camden for that review. And I know he'll do a
16
    thorough review on those. We'll look at that after
17
    he completes his review and makes any comments or
18
19
    changes.
20
                Then the last application that was heard
21
    was Plankton Energy. But we can do a blanket motion
22
    to approve all the Resolutions and we'll be good to go.
23
                COUNCILWOMAN REYES-MORTON:
                                             I have a
24
    question. Is all of that on today's agenda because I
25
    don't see that on the agenda?
```

```
MR. BURNS: Which? The Resolutions?
1
2
                COUNCILWOMAN REYES-MORTON: Yeah.
3
                 It's under the "Adoption of the
    Following Resolutions" on the first page and second
4
5
    page.
                MS. CREAN: Number 8.
6
                                   It's in the back.
7
                CHAIRMAN DEJESUS:
8
                COUNCILWOMAN REYES-MORTON: Okay. Okay.
9
    All right.
                I don't have any back-up information
    because I don't know where the packet went but okay.
10
                So I see in the chats that Director Ed
11
    Williams is saying that the Parks and Open Space Plan
12
13
    will be heard at the January Planning Board meeting.
14
    So does that still stand? I'm just a little confused
15
    with what's going on here right now.
16
                MR. BURNS: I think that's what
    Dr. Williams indicated. We'll probably address that,
17
    Councilwoman, at the January meeting. They will
18
    present in January, provided they get everything done
19
    they need to get done. I think we'll be hearing that
20
21
    at the January meeting which is, what, January 8th, I
2.2
    think?
23
                             It wasn't on for the agenda
                MS. MILLER:
24
    for tonight. It was just to give you a little input;
25
    letting you know that it's coming and it will be
```

1 heard in January. 2 MR. BURNS: January 13th. My mistake. January 13, 2022. Sorry. 3 4 MS. MILLER: Right. So that was under 5 the Planing Director's Report. He's just giving you some input. 6 7 CHAIRMAN DeJESUS: Felisha, do you have 8 anything else to say? COUNCILWOMAN REYES-MORTON: No. I'm 9 good. Okay. I see it now. And then for the East 10 11 Camden one we had last month, was there any question 12 submitted by the Board for that plan last month? 13 trying to recall last month's meeting. 14 CHAIRMAN DeJESUS: I wish I could help 15 you but I wasn't there. 16 COUNCILWOMAN REYES-MORTON: I know. I know. I remember that. 17 18 MR. BURNS: I don't think there was any 19 questions submitted. 20 CHAIRMAN DEJESUS: Ed, are you saying 21 something? 22 DR. WILLIAMS: Yes. There were no 23 questions from the Board regarding the document. 24 MS. MILLER: Right.

COUNCILWOMAN REYES-MORTON: Okay.

Cool

25

```
Thank you.
1
2
                CHAIRMAN DeJESUS: I need a motion to
    approve the Resolutions, please.
3
4
                MS. CREAN: So moved.
                COUNCILWOMAN REYES-MORTON: Second.
5
                CHAIRMAN DeJESUS: Roll call.
6
7
                MS. MILLER: Jose DeJesus.
                CHAIRMAN DeJESUS:
8
                                    Yes.
9
                MS. MILLER: Councilwoman Reyes-Morton.
                COUNCILWOMAN REYES-MORTON:
10
11
                MS. MILLER: Director Walker.
                DIRECTOR WALKER: Yes.
12
13
                MS. MILLER: Erin Crean.
14
                MS. CREAN: Yes.
15
                MS. MILLER: Steven Lee.
                MR. LEE: Yes.
16
17
                MS. MILLER: Ian Leonard.
18
                MR. LEONARD: Yes.
19
                MS. MILLER: Motion carried to approve
    the Resolutions. Thank you.
20
2.1
                CHAIRMAN DEJESUS: Last but not least, I
22
    want to wish all of you a good holiday, happy New
    Year, Merry Christmas and be safe for the new year.
23
24
    And thank you Erin for being --
25
                MS. MILLER: Erin has something to say.
```

```
CHAIRMAN DEJESUS: I know but let me
1
2
    finish.
             I want to say thank you for being
3
    chairperson for me last month. I appreciate that.
4
                MS. CREAN: You're quite welcome.
5
                CHAIRMAN DEJESUS: I hope that everything
    in the new year improves on our system here.
6
                                                   Go
7
            I'm sorry.
    ahead.
8
                MS. CREAN: I just had a question
9
    regarding -- so did anybody else log into the Cross
    County Connection's webinar regarding the new state
10
11
    legislation for electric vehicle charging?
                CHAIRMAN DEJESUS:
12
                                    No.
                MS. CREAN: So it's now -- electric
13
14
    vehicle charging stations are now -- the state
15
    legislation supersedes any municipal ordinance.
16
    are now a required part of site plans for multi --
    mixed-use developments with five or more dwellings.
17
    And also a retail or commercial that provides 26 or
18
19
    more parking spaces.
20
                CHAIRMAN DeJESUS:
                                    I will keep that in my
21
    memory bank and I'm going to guarantee that I will
22
    not forget that one.
23
                            I'm sure R&V is aware of it
                MR. BURNS:
24
    because it's big. I can tell you, and thanks Erin
25
    for pointing that out, it's important to know that
```

```
it's designed to promote Green Energy which is a good
1
2
    thing. But for developers, and I have some clients
    that are some large developers, it is extremely
3
    costly because you have to run all of the electronics
4
5
    and all of the -- everything associated with it and
    to put them in place. So if you have to do 90, it
6
    could over -- I have a client that has to spend over
7
8
    1.5 million dollars to put in 90 electric charging
    stations. So it's going to impact development, I
9
10
    think, quite a bit. So you just need to be aware of
11
    that.
12
                            But they can charge a fee for
                MS. CREAN:
13
    charging --
14
                MR. BURNS: Yes, you can but --
15
                MS. CREAN: -- to recoup that over the
16
    years.
                CHAIRMAN DEJESUS: For a very long time.
17
    For 1.5 millon dollars, that takes a little longer
18
19
    time.
20
                MR. BURNS: There's tax credits you can
21
    apply for but everybody is going to be applying for
22
    them, so I don't know if everybody is going to
    qualify. We want the City to be the best and to
23
24
    develop and get a lot of these things --
25
                CHAIRMAN DeJESUS:
                                    Talk to SBA and see if
```

```
SBA can help out the City with these persistent
1
2
    projects and get some of the SBA loans through that
3
    process.
                COUNCILWOMAN REYES-MORTON:
                                             There's an
5
    organization too called New Jersey Energy. I met
    with them a couple of weeks ago when they came to
6
             And they were interested in helping with
7
    Camden.
8
    like technical assistance and they're on behalf of
    the State. So I could forward that information over
9
    to Director Ed Williams. I actually have notes since
10
11
    I met with that person already.
12
                CHAIRMAN DEJESUS: Sounds like a good
13
    idea.
14
                MR. BURNS: That would be great.
                                                   That
15
    would be really helpful.
16
                MR. BURNS: What sense did you get from
    it, Councilwoman? Were they --
17
                COUNCILWOMAN REYES-MORTON:
18
                                             So what they
    did was, the New Jersey Energy, they hired a
19
20
    consultant and she was pretty much responsible for
21
    outreach. So South Jersey obviously is always in
22
    need of resources in the hardest to reach areas.
23
                So she was just explaining all the
24
    programs that the government can apply for and the
25
    incentives that are going to be coming down.
                                                   But,
```

```
you know, that plays up their conversation to the
1
2
    development like you guys were talking about which is
    where I have no idea about. So it just sounds
3
    perfect to connect the two.
4
5
                MR. BURNS: If you could forward that
    info to Erin and myself because I know Erin might
6
    want it too for her --
7
8
                CHAIRMAN DeJESUS: I would appreciate it
    as well because that way -- because as an accountant,
9
    those things will also be part of the role of
10
11
    developing new clients.
                MS. CREAN: Yes
12
13
                COUNCILWOMAN REYES-MORTON: Yes.
14
                MS. CREAN: Cross County Connection has a
15
    lot of resources as well.
16
                CHAIRMAN DeJESUS: With all that said,
    I'd like to have a motion to adjourn.
17
                MS. CREAN: So moved.
18
19
                COUNCILWOMAN REYES-MORTON: Second.
                CHAIRMAN DeJESUS:
20

    holidays to everybody.
24
                MS. MILLER: Director Walker.
25
                DIRECTOR WALKER:

1
                MS. MILLER: Erin Crean.
2
                MS. CREAN: Yes. Happy holidays
    everybody. I hope you have a safe and happy and
3
    healthy New Year. MS. MILLER: Steven Lee.
4
                 MR. LEE: Yes.

                 MS. MILLER: Ian Leonard.
