IN THE MATTER OF

CAMDEN CITY DPW :
1257 S 2nd Street : ADMINISTRATIVE CONSENT ORDER
Camden, NJ 08104 :

EA ID # NEA240001 - 004010

This Administrative Consent Order (hereinafter ACO) is entered into pursuant to the authority vested in the Commissioner of the New Jersey Department of Environmental Protection ("Department") by N.J.S.A. 13:1D-1 et seq., and the New Jersey Underground Storage of Hazardous Substances Act, N.J.S.A. 58:10A-21 et seq. and duly delegated to the Chief, Bureau of UST Compliance and Enforcement, pursuant to N.J.S.A. 13:1B-4.

FINDINGS

- 1. CAMDEN CITY DPW owns and operates a facility retail gas station located at 1056 Wright Avenue, Camden City, Camden County, NJ.
2. CAMDEN CITY DPW maintains on-site "underground storage tank (UST) systems" as defined by N.J.A.C. 7:14B-1.6, consisting of two (2) - 10,000 gallon unleaded gasoline; one (1) - 10,000 gallon medium diesel fuel USTs and associated appurtenances. UST ID# 004010.
3. Pursuant to N.J.A.C. 7:14B-1.6, all grades of gasoline and diesel fuel are defined as "Motor Fuel" which are further defined as "Hazardous Substances".
4. As the result of a self-disclosed violation on September 13, 2024, the Department has determined that CAMDEN CITY DPW failed to comply with applicable requirements as follows:
a. Requirement: Pursuant to N.J.A.C. 7:14B- 4.1(a)1, owners and operators of underground storage tank systems which are installed on or after September 4, 1990 shall obtain a permit in accordance with N.J.A.C. 7:14B-10 before installation and ensure that the systems meet the following performance standards: 1. Each tank shall be properly designed and constructed, and any portion underground that routinely contains product shall be protected from corrosion, in accordance with a code of practice developed by a nationally recognized association or independent testing laboratory as specified below: (i) The tank shall be constructed of fiberglass-reinforced plastic; (ii) The tank shall be constructed of steel and cathodically protected in the following manner: 1. The tank shall

be coated with a suitable dielectric material; 2. Field-installed cathodic protection systems shall be designed by a Cathodic Protection Specialist certified in accordance with N.J.A.C. 7:14B-13. The design shall be based upon data collected onsite by a Cathodic Protection Specialist or Cathodic Protection Tester certified in accordance with N.J.A.C. 7:14B-13; 3. Impressed current systems shall be designed to allow determination of current operating status as required in N.J.A.C. 7:14B-5.2(a)3; and 4. Cathodic protection systems shall be operated and maintained in accordance with N.J.A.C. 7:14B-5.2. (iii) The tank shall be constructed of steel-fiberglass-reinforced-plastic composite.

Description of Noncompliance: The owner and operator failed to ensure all of tanks had corrosion protection. Facility self-disclosed through Spark Contractor that the CP system on the three tanks failed CP by Crompco on September 12, 2024..

5. Based on the facts set forth in these FINDINGS, the Department has determined that CAMDEN CITY DPW has violated the New Jersey Underground Storage of Hazardous Substances Act, N.J.S.A. 58:10A-21 et seq. and the regulations promulgated pursuant thereto, specifically: N.J.A.C. 7:14B- 4.1(a)1
6. In order to resolve this matter without trial or adjudication, CAMDEN CITY DPW has agreed to entry of this ACO and to be bound by its terms and conditions.

  - b. Conduct monthly tightness tests on all USTs (with the tanks empty) until temporary emergency ASTs are installed and the USTs are permanently emptied. Provide tightness test results to the Department within five (5) business days.

### **B. PROJECT COORDINATION**

9. CAMDEN CITY DPW shall submit to the Department all documents required by this Administrative Consent Order, including correspondence relating to force majeure issues, by certified mail or hand delivery with an acknowledgement of receipt from the Department. The date that the Department receives the certified mail or executes the acknowledgement will be the date the Department uses to determine CAMDEN CITY DPW's compliance with the requirements of this Administrative Consent Order and the applicability of stipulated penalties and any other remedies to the Department.
10. PO Box 420  
Trenton, NJ 08625-0420  
Attention: Jenna DiNuzzo

### **C. STIPULATED PENALTIES**

12. CAMDEN CITY DPW shall pay stipulated penalties to the Department, as set forth below, for failure to comply with the provisions of this ACO unless the Department has notified CAMDEN CITY DPW in writing that a stipulated penalty will not be assessed for violations of the compliance schedule pursuant to the force majeure provisions of this ACO.

<u>Calendar Days After Due Date</u>	<u>Per Calendar Day</u>
1-7	\$1000
8-14	\$2000
15 or more	\$5000

13. Within 45 calendar days after CAMDEN CITY DPW 's receipt of a written demand from the Department for stipulated penalties, CAMDEN CITY DPW shall submit a check to the Treasurer, State of New Jersey as outlined above in the PENALTY section.
14. If CAMDEN CITY DPW fails to pay stipulated penalties pursuant to the preceding paragraphs, the Department may take action to collect same, including, but not limited to, instituting civil proceedings to collect such penalties pursuant to R. 4:67 and R. 4:70 or assess civil administrative penalties for violations of this ACO.
15. The payment of stipulated penalties does not alter CAMDEN CITY DPW 's responsibility to complete all requirements of this ACO.

#### **D. FORCE MAJEURE**

16. If any event occurs which is beyond the control of CAMDEN CITY DPW and which CAMDEN CITY DPW believes will or may cause delay in the achievement of the compliance schedule provisions of this ACO, CAMDEN CITY DPW shall notify the Department in writing within seven (7) calendar days of becoming aware of the delay or anticipated delay, as appropriate. In the notification, CAMDEN CITY DPW shall reference this paragraph, describe the anticipated length of the delay, the precise cause or causes of the delay, and any measures taken or to be taken to minimize the delay. CAMDEN CITY DPW shall take all necessary action to prevent or minimize any such delay.
17. The Department may adjust the deadlines in the compliance schedule of this ACO for a period no longer than the delay if the Department finds that:
  - A. CAMDEN CITY DPW has complied with the notice requirements above;
  - B. any delay or anticipated delay has been or will be caused by fire, flood, riot, strike, or other circumstances beyond the control of CAMDEN CITY DPW ; and
  - C. CAMDEN CITY DPW has taken all necessary actions to prevent or minimize the delay.
18. If the Department denies CAMDEN CITY DPW 's force majeure request, CAMDEN CITY DPW may be subject to stipulated penalties. The burden of proving that any delay is caused by circumstances beyond the control of CAMDEN CITY DPW and the length of any such delay attributable to those circumstances shall rest with CAMDEN CITY DPW. Increases in the cost or expenses incurred by CAMDEN CITY DPW in fulfilling the requirements of this ACO shall not be a basis for an extension of time. Delay in an interim requirement shall not automatically justify or excuse delay in the attainment of subsequent requirements. Contractor's breach shall not automatically constitute force majeure.

#### **E. RESERVATION OF RIGHTS**

19. The Department reserves the right to unilaterally terminate this Administrative Consent Order in the event CAMDEN CITY DPW violates the terms. However, before the

Department terminates this Administrative Consent Order pursuant to this paragraph, the Department will notify CAMDEN CITY DPW in writing of their obligations, and CAMDEN CITY DPW shall have reasonable time under the circumstances, not to exceed thirty (30) calendar days, to perform said obligations.

20. The Department reserves the right to seek reimbursement for past costs to be incurred in the oversight of this Administrative Consent Order.
21. This Administrative Consent Order shall not be construed to affect or waive claims of federal or state natural resources trustees against any party for damages or injury to natural resources.
22. The Department reserves the right to require CAMDEN CITY DPW to take any and all additional measures should the Department determine that such measures are necessary to protect human health and/or the environment. Nothing in this Administrative Consent Order constitutes a waiver of any statutory right or enforcement powers of the Department to require CAMDEN CITY DPW to undertake such additional measures should the Department determine that they are necessary.

#### **F. GENERAL PROVISIONS**

23. Neither the entry into this ACO nor the payment of the associated penalty shall constitute an admission of liability by CAMDEN CITY DPW for any of the violations listed herein.
24. Nothing contained in this ACO restricts the ability of the Department to raise the above Findings in any other proceeding, specifically including, but not limited to, proceedings pursuant to N.J.S.A. 13:1E-126 et seq., (commonly referred to as A-901).
25. This ACO shall be binding on CAMDEN CITY DPW, its respective agents, successors, assigns, and any trustee in bankruptcy or receiver appointed pursuant to a proceeding in law or equity.
26. This ACO shall be fully enforceable as a final Administrative Order in the New Jersey Superior Court.
27. CAMDEN CITY DPW agrees not to contest the terms or conditions of this ACO except that CAMDEN CITY DPW may contest the Department's interpretation or application of such terms or conditions in any action brought by the Department to enforce this ACO's provisions.
28. This ACO shall not relieve CAMDEN CITY DPW from obtaining and complying with all applicable federal, state and local permits as well as all applicable statutes, codes, rule, regulations and orders, including but not limited to the statutes and regulations cited herein.
29. No modification or waiver of this ACO shall be valid except by written amendment duly executed by CAMDEN CITY DPW and the Department or by the Department's written modification pursuant to the force majeure provisions herein.

30. CAMDEN CITY DPW shall not construe any unwritten or informal advice, guidance, suggestions, or comments by the Department, or by persons acting on behalf of the Department, as relieving CAMDEN CITY DPW of its obligations under its permit(s) if any, this ACO, the Solid Waste Management Act, N.J.S.A. 13:1E-1 et seq., and/or the Spill Compensation and Control Act, N.J.S.A. 58:10-23.11 et seq.
31. In addition to the Department's statutory and regulatory rights to enter and inspect, CAMDEN CITY DPW shall allow the Department and its authorized representatives access to the site at all times for the purpose of determining compliance with this ACO.
32. Nothing in this ACO shall preclude the Department from taking enforcement action against CAMDEN CITY DPW for matters not set forth in the findings of this ACO.
33. No obligations or penalties imposed by this ACO are intended to constitute debt(s) which may be limited or discharged in a bankruptcy proceeding. All obligations and penalties are imposed pursuant to the police powers of the State of New Jersey for the enforcement of the law and the protection of public health, safety, welfare and the environment.
34. CAMDEN CITY DPW shall give written notice of this ACO to any successor in interest thirty (30) calendar days prior to transfer of ownership or control of the facility or facilities which are the subject of this ACO and shall simultaneously notify the Department that such notice has been given. This requirement shall be in addition to any other statutory or regulatory requirements arising from the transfer of ownership or control of CAMDEN CITY DPW's facility. In addition, the parties agree that any contract, lease, deed or any other agreement that CAMDEN CITY DPW enters into to convey the property/facility that is the subject of this ACO shall include a provision which states that the successor, assignee, tenant or purchaser has agreed to assume the obligations imposed by this ACO.
35. The Department reserves all statutory and common law rights to require CAMDEN CITY DPW to take additional action(s) if the Department determines that such actions are necessary to protect public health, safety, welfare and the environment. Nothing in this ACO shall constitute a waiver of any statutory or common law right of the Department to require such additional measures should the Department determine that such measures are necessary.
36. This ACO shall be governed and interpreted under the laws of the State of New Jersey.
37. If any provision of this ACO is found invalid or unenforceable, the remainder of this ACO shall not be affected thereby and each provision shall be valid and enforced to the fullest extent permitted by law. The Department does, however, retain the right to terminate the remainder of this ACO if, after such finding, it determines that the remaining ACO does not serve the purpose for which it was intended.
38. This ACO represents the entire integrated agreement between the Department and CAMDEN CITY DPW on the matters contained herein.
39. The Department reserves the right to unilaterally terminate this ACO in the event CAMDEN CITY DPW violates its terms and to take any additional enforcement action it deems necessary.

- 40. This ACO shall terminate upon receipt by CAMDEN CITY DPW of written notice from the Department that all the requirements of this ACO have been satisfied.
- 41. This ACO shall become effective upon the execution hereof by all parties, subject to completion of any required public participation process.
